Saturday

My dear Pet -

Am writing in train so it must be
pencil & I have got a bit of paper in
my bag - I want to greet you on

Sunday, tomorrow morning - for I can
see you will be lonely the first Sunday

by your little lone self. I shall write & send
you the paper as soon as I look it up on
my return & then you'll be able to
answer me next week with it

We felt the house very empty without
all the dear boys - Pat does all he
can to fill up the big gap -

I expect dear Mumps won't be able to
write today - as she has early to see

Daddy & has several appointments
besides - Uncle Noel has come over

& is to see her today -

Much love from Aunt ~~Princess~~ & me

& a big kiss - yours affly

Aunt Sue

Hope you can read this

it is shaky in train - Aunt G. will write to you
tomorrow
