April 26th

My dear Mr. Lasker.

I can give you an
exhibition almost
any time you wish.
But make it too large
or too long a time, you
must remember it is
not very long ago since
we had the last. Many

thanks for your invitation
to the artist's Reception
Dinner. I greatly regret
I cannot accept as I
have promised weeks ago
to go that night to a
friend's house in the
country. I hope to see you
about May 9th. My good
wishes to Madame.
Yours sincerely
Robert Hewson.
