

10. V. 1. 07

Dear Mr. Pinner, I received your letter today on my return to Dublin after a short absence. The right person to apply to in connection with Mr. Labzlo's pictures — a sketch, personally, to know much like to see in the exhibition — is Mr. A. G. Temple, Director of the City of London Art Gallery, Guildhall, E.C., who got up the British and Continental sections — My authority

is confined to the Irish
Section, which, again, is
strictly confined to Artists
of Irish birth or extraction.
The exhibition has now
been open for five weeks,
and the Fine Art sections
are all very crowded: but
I hope your application
may succeed.

Yours faithfully
Walter Armstrong
