STATION COMSHALL. S. E. R. 1 MILE.

TELEGRAPH ABINGER HAMMER.

ABINGER HALL,

DORKING.

Dear Mr. Laszlo. It is  
most kind of you to have  
written me about the patri-  
otism to Vienna - I will  
send the price your letter,  
which will explain things -

I am here

awaiting a woman & child,  
or have only just received  
your letter or we have  
answered it before.

I hope very much that you  
will let me know when  
you return from America

— that you will come &  
love me right.

How very glad & again  
many thanks for thinking  
of writing —

Yours sincerely

Osvald Birley
