April 23 —

Dear M de Laszlo
I hope you will forgive
me for troubling you — as
follows: One of my
 Cousins - Mrs Claud Montefiore
is a very great admirer
of y. work & would so much
like to make y acquaintance
& to see some of the
beautiful portraits in
y Studio —

Might I bring her one
day after Tuesday?

My cousin is really
devoted to painting
& works hard herself
at landscapes—

I have stupidly mislaid
my home address, & am now
writing to the Studio—

One evening I hope
that you & Mr. & Mrs. Jago
will give me the pleasure
of dining with me.

I am, truly,
Constance Battersea
