

53 Grosvenor Street.
88.

March 14th 1912.

Dear Mr. László,

With reference to our conversation on Sunday as to contemporary art, I am taking the liberty of sending you one of the circulars of our Society in the hope that you will be kind enough to become a member. We have already held one exhibition at Manchester and one at Leeds, and have let in a good deal of light into the darkness of the provinces. I really think there is a great future before us.

Yours sincerely
Henry Buntwick
