

March 13th

Dear Mr. de Laszlo,

The dear old
Austrian Emperor has
delighted to 'honor' you
I am sure & your friends
from this elevated flat
send you ever so many
congratulations! I am
so glad you have received
exalted rank as a recog-
nition & reward — I don't
in the least know how

To address you on your
envelope! but
you must tell me when
we meet. The Court on
Friday night was a lovely
sight & I wish they had
been with me! In the
distance I saw the handsome
Hungarian attache I met
at your house!

Aufwiedersehen - I want
to come & see your Studio
soon ^{may} perhaps one day
next week? Have you
finished the picture of the
Duchess of Portland? Adieu
Mrs very sincerely
