Dear Mr. de Haeghe -

I'm glad you would be
interested to hear that had
known of your portrait of
Princess Luise of Saxe-Weimar-
Eisenach - Crown Princess of Saxony -
I had a letter from
Baron Georg von Meppel to-
night - saying that the
portrait is in his keeping -
put away, where nobody

Mr. C. is it! —
Does it seem a pity? —
His Baron Im. Natch is
Haus Marshall to the King
and is a nephew of the
old Natch who was Minister
when you were in Sweden —
With kind regards

Yours sincerely —
