Francis Cheikuer, P.O. No. 28963. Camp II. Comp 1. Det 5a.

Dear Mr. de Lászlo!

Trusting you and your dear family are in the best of health. I let you know according to your wish, that I got just to-day the notice to proceed to Wakefield on Monday the 16th of July. I am really very glad that it was possible in such a short time and I thank you very much for your kind assistance and help.

May I kindly ask you, if you didn't post a any sending on my present adress by this time, please do send it direct to Wakefield. I think they will reach me safely there if you writes only my name and present number on it as the camp is there not so big.

I am very anxious to see my friend Veress and hope to be able to get a place near him. I hope too, to get a good piano there to practise on, as I had here very few opportunity for practising. Thanking you again for your great help and hope to see you in near future.

I remain, with best wishes and kindest regards
to Madam and yourself

yours very sincerely

Francis Cheikuer
