Dear Mr de Laszlo.

Many thanks for
your kind letter
of sympathy.

I was with my
mother till near-
ly the end -
mercifully she

did not suffer,
though she lingered
on unconscious
for some weeks.

I am so very
glad to hear that
Mr de Lasglo is
with you -

My husband
joins me in
many messages
both to him &

you - We have
felt such
sympathy with
him & such
indignation on
his behalf all
these months.

Ys sincerely
Catherine Carnoch.
