My dear Mr de la Roche
I think it will interest
you to hear of the sketch
of your friend de la Roche.
I saw the other day
your portrait of
Lord Widdale and
the sketch of Lord
Widdale - They are
both magnificent

and like like and they
are so pleased with
them - I runy off some
more yesterday to tell
this news but your
were in your studies -
I shall be glad to
call one day when
you are free

With best regards
to Mr de laigle and
yourself

Very sincerely
yours
Louis Pelletier
