Dear Mr. Laszlo

You very kindly said
you would do a portrait of
me in January & I wish I
could have it done. But
I'm afraid finances will not

run to it just now & I am
so disappointed. Perhaps after
the war - if I am ^{not} grey +
haggard with anxiety by then!

You will be able to find
time to do me, I hope so.

I am a good sitter though
difficult to do I believe!

I love the portrait of my

husband & I wish I had it
here, but I often go to Grosvenor
Square & look at it!

Yours sincerely
Evelyn Florence
