Dear Mrs de Laigle

I am dreadfully
disappointed at the result
of the enquiry and feel
most deeply for your
husband and yourself -
It is something to hope
for that the case will be
reversed in December,

but that does not alter
the bitterness of the decision
for Leoni or for you or for
his friends.

When Mr de Laisny is
able to receive visits from
friends I hope that you
will let me know and
that he will permit me
to go & see Leoni
Yrs sincerely
Selborne
