

PW/KF.

19.

11 January, 1918.

Dear Lord Sligo,

I am very sorry about de László, but I do not see what I can do in the matter. It is purely one for the Home Secretary, unless it is brought before the Cabinet, in which case I would have to form a judgment on the facts put before me by the Home Secretary and in these circumstances I do not see that anything would be gained by my seeing Mr. Guinness. I hope you will understand.

Yours sincerely,

Edward Carson

Marquess

The ~~Earl~~ of Sligo,
7, Upper Belgrave Street,
S.W.
