

Hotel Ritz
Saturday

Dear Mr. Jozsó

It was
so kind of you
to remember my
desire to see your
portrait of the
Casey Greffith and it
was a great dis-
appointment not to

be able to go at
the hour you appointed.
We had an engage-
ment which it was
impossible to break.

Could we stop for
you at your hotel
& get you to take
us tomorrow Sun-

day, at 12 ? Of course

We don't want to trouble
you or the Duc de Guiche
So you must telephone
"no" if it would be
convenient.

Hoping in any
case to see you &
your work in the
future

I am

Most Sincerely

Richard P. Parrot
