Dear Mr. De Lászlo

Thank you very much for your
very kind presents & a proof of the
magnanimity after your handsome
portrait of Lord Curzon. It is especially
grateful to me just now after
his Lordship's defence of my actions
in the Times and because my son
is at present an Oxford student.
Thank you very much indeed
for it - wishing you and
Mrs de Lászlo and all yours
a very happy Christmas and
new year

Yours faithfully

Charles Holroyd.
