Dear Sir

Would it be possible for
you to consider the formation
of an evening class at the
London School of Art?

A number of artists of
my acquaintance men, as
well as women fully occupied
during the day by their
professional work - in the
City & Studios would very

greatly appreciate the privilege
of working under your direction
one or two nights a week.

A mixed class and a
~~brass~~ model would
easily be found - I feel
sure.

Faithfully yours
