Dear Miss Laszlo

I am sorry not to
have sent the enclosed
sooner. I rather feel
of writing from day
to day ~~in~~ order to
become a little more

familiar with the
portrait. It pleases
me very much really,
and it is a great joy
to have it - and so
I feel most thankful.

I do not feel it is
quite so absurd
like Sidney or the

wonderful sketch on I am
sure of my other son is
like him - and I have
wondered if you would come
here some day to see it
then Sidney is here?

I hear Lady Louisa is
so delighted with the

The portrait of a true
man of God's favor. I
hope so much to see
it. It must be a
great comfort to her
to possess it.

F. Lewis m

P. Sincerely

Richard Herbert.
