Dear Mr. de Lászlò,

"The Works of P.A. de Lászlò"

I have now the pleasure to enclose my account for the items referred to in a previous letter, which are not debitable to Messrs. Hutchinson & Co.

I wrote to Mr. Oakley Williams at the end of last month, but not having received a reply I assume he is out of town.

You will no doubt find the enclosed account in order and I will ask you to be kind enough to favour me with a cheque in settlement at your convenience.

Believe me,

Yours very truly,

FREDK. JENKINS.,
