

67 LENHAM GARDIENS

DEC: 8th

Dear Mr. Laszlo

I have been an admirer of your work for a long time. Now I find that Mrs Laszlo has been kind enough to write to my wife asking both of us to dine *with you* on the 20th. Will you not give me one day sooner ². Wont you and your wife come and dine at the Savoy. ⁷ I am straining to get South to Nice and Egypt.

I am very much obliged indeed to Macfall for bringing us together.

Any day will suit us for dinner. Will you establish any day you please. I understand that lunch is impossible. *I sh like you to see some*

Primitiv, I have here

Yours sincerely

Frank Harris.
