

Dec 4th 1909.
WILTON HOUSE,
SALISBURY.

Dear Mrs Lasglo.

Thank you so much for sending me
your Pope - He is delightful - & when I looked at him
at once then came back to my mind, the scene in
the Lister Chapel many years ago - when I saw him
carried through in procession - His was a wonderful face
& it must have been a most interesting one to paint -
Obviously you found it so -

I will now fulfill my part of the bargain & send you
photographs of this place, but I am afraid there is
not one in existence of the bird you liked so much
looking down the side of the house & the dark path -
My dog is looking twice as beautiful now he has got
some muscle on him, & fit to be painted with every
monarch! If you really want to do him - a bit
of the house too - Lady Pembroke would be delighted
if you would come down Peter on - & spend

(7)

some days here, after Christmas -

I hope some day to take advantage of your invitation
to come & see your pictures -

Yours sincerely

Muriel Herbert

Dear Lady Muriel.

I thank you so very much
for remembering to send the photos -
~~Attho~~ Attho they are so good I am
so glad to have them, they just give
me the right views of that
beautiful historic house, which contains
so many great ^{art} treasures.

I would have replied sooner, but
my days are so full in London, I
waited till I was in the country again,
