CARISBROOKE CASTLE,
NEWPORT,

I. OF W.

Dear W. Vaszto

The picture has
arrived quite safely
& is so beautiful -
Its surroundings here
are really worthy of
it & I cannot say
how grateful I am
to you for doing it - or

CARRISBROOKE CASTLE

NEWPORT

1 OF W.

how proud I am to
have it! - When you
return I do hope for
Mr. Vassallo will
find time to come
& pay us a visit for
I know you would
appreciate this beautiful

old place & enjoy
it. - The photograph
of the picture is a
disappointment due -
It seems I have lost
the likeness to a great
extent & the paint
ridges on the face I
my mind spoil it.
I wonder what you
feel about it yourself
I am writing to this.

Macbeth to say, 'do not
care for it & perhaps they
might have another one
done sometime? It is such
a pity when the picture is so
perfect that the photograph
should not do it justice -
at least to my mind it
does not do it justice.' I
enclose a cheque & again
thanking you most
gratefully remain

Yr. sincerely
Lucy Heywood
