KENSINGTON COURT,  
LONDON, W.

Dear Mr. Laszlo,

My husband is  
working at his studio so I  
am sending your invitation  
in to him, and we will  
let you know at once.

I am glad you are pleased  
with the model of  
Lord Roberts. The  
price we agreed upon  
was six guineas.  
But kindly do not

mention this sum to  
any one as I have  
sold it to you as a  
brother-artist at  
half-price. I am

very pleased that you  
like my work sufficiently  
to add it to your  
collection.

Believe me

Y<sup>r</sup> sincerely  
Lilian Hamilton
