Dear Mademoiselle Langis

I am so distressed that
I must give up visiting you
you - (as you so very kindly
said I might) till the
autumn. My husband has
had a bad motor accident.
Thank God there is no
actual danger now - but
he wants careful nursing.
He was run into, when
going to his office on a
motor bicycle, by a carriage

a motor vehicle recently -
has a deep cut on his
forehead, & is very shaken.
It was a terrible time for
both of us - but all is well
so far. I trust you will
understand - & allow me
to have my wedding present
from you later on.

We are both so indebted
at your great kindness
in giving us the tickets

Yours very sincerely
John Vernon Hancock

P.S

I do hope Mr. de la Roche
is keeping well.
