

Molecular Told

IPSLEY LODGE,
N^o FARNHAM,
SURREY.

Sept. 14. 1914.

Dear Mr De Laszlo

I sent you a copy of
history of Surrey I picked up yesterday.
It is not the book I ~~was~~ intended
still to send you but I thought you might
like to have a book like that as reference
and as it is a perfectly new copy I
picked it up for less than 1/4 of its
price I ventured to send it to you -
a little memento of an exceedingly pleasant
visit to you last Saturday

Yr. sincerely

H. TR. Hubbard
