Dear Mr. Lunday.

First let me
congratulate you on the
birth of your fifth son -
you will have a regiment
in itself! I am so glad
to hear your wife is going
as well, & please tell her
how sorry I am that
I shall not be able to
meet her this time but
shall look forward to
seeing her at some future

Time. I should much like
to come to your studio
to see your pictures -
would Wednesday or Thursday
suit you? about 4.00, as
you suggest.

Yrs sincerely
Walter H. Hudson
