Dear Mr. Lasylo.

Will you be so  
good as to spare time  
to study the enclosed  
paper - I should be  
so glad, & then I  
hope you will sympathise

with the scheme set  
out in it, & consequent,  
give it your support &  
help.

---

I am glad to say ~~really~~  
practically everyone who  
has heard of it is  
in sympathy so far

especially the artists &  
craftsmen who realise  
the great need there is.

Please remember me  
to your wife.

We are expecting the  
Dots here en visite.

shortly wh: will be  
most delightful —

Believe me

Yours sincerely
