My dear Mr Laszlo,

I am so delighted to have the
good news that both you and
Mrs Laszlo will give me the
pleasure of being present at
the O.V. dinner next Friday.
I bothered you with my telephone
because I became suddenly seized
with horror at the thought that
Mrs Laszlo's name had been omitted
on the card I sent.
So it has been here written for the
welland.

Sincerely yours
Cecily Lee
