Dear Sir

Mr Armstrong, of the Fine
Art Society, tells me that I may
venture to write and ask you
if you will kindly review me
for a few minutes, a paper
of an article I am doing
on your beautiful portrait
painting work.

If you are free any time
on Friday (14th) I could call on
you either at your studio or
at your hotel.

Believe me to remain
Yours truly
Maie Belle Lowndes
