HOLLOW DENE,
FRENHAM,
FARNHAM.

11th July 1915

Dear Mr. de Saxe

Really you are too kind.

A picture of a great man by a great artist is a possession which any Englishman would be proud to have; but, with the few words which you have added, it becomes quite a delightful reminiscence of many

and yet too few, delightful
conversations here.

We do hope that you
will be able to find a
permanent "holiday house" in
this part of the world.

Again, thank you!

With our very kind regards
to Mrs de La Roche and yourself

Sincerely yours

Morton Latham
