

HALESWORTH,

HOLTON HALL,
HALESWORTH,
SUFFOLK.

Tuesday July 2nd

Dear Mr Lazlo'

I am awfully sorry I have not written to you before. I came round to the schools to say good bye to you on Friday evening but I was told you were not coming till Saturday morning. I am going to Beu Rhydding in Yorkshire on Friday and I am going to do a lot of work there. ~~Oh~~ I am afraid you are a bit disappointed with my work especially

lately but I have learnt such a
tremendous lot from you ~~and~~ ^{that} I
hope when I come back you will
see the difference. Because I shall
be able to work quietly up there.

I feel that the things I have been
doing are a bit too much for me so
that I want to get a few simpler things
quite right instead of - about right -
as you have said so often.

I expect you must be awfully
tired of town and I hope you will
have a pleasant holiday.

Yours very sincerely
Hugh Russell 13/1/99
