Dear M^r de Laiglo,

I thank you once more for
the beautiful Colour-engraving
which you have been
so kind as to send me, and
also for the Cordial words with
sent on it by yourself -

I am extremely pleased
to have this engraving, not
only for the real art satisfac-
tion it gives me, but also as

it will be to me and mine a
precious "Souvenir" of the
great artist whose work we
so much and justly admire,
and who proved to be as
kind as highly talented.

Yours very sincerely

Jean G. Rosier
