Dear Laszlo,

I send two cards  
for the private view of the  
New Gallery in case you or  
your sisters may care to go.

I inquired today from  
the secretary about the  
possibility of the election of  
a new subscriber & he

told me that, as the number  
is now complete, this can  
only be done when a vacancy  
occurs. The election is  
by the whole body of subscribers.

When there is a vacancy -  
if you still wish it I shall  
be most happy to propose  
your name -

Always yours sincerely

Adrian Stokes
