SELHAM.

LODSWORTH,
PETWORTH.

April 15.

Dear Mr. Dazlo

Thank you for
your letter. I have arranged with
Mr. d'Annalle to dine at my table
& Cope has invited all the
artists to dine with him & discuss
accounts etc.

I am sorry you could
not come see The Studio at 1 Abbey
Road. Since you are looking for a
house, it is a very fine studio &
large house with almost an acre
of garden with big trees etc. perhaps
you would like to hear more when
we meet on the 7th. I think it
might interest you.

Yours sincerely

Charles Sims.
