

Oct 22.

Gatthorpe Hall,
Burnley, Lancashire.

Dear Mr De László

Very many thanks for
your letter & the delightful
news that you have finished
Miss Weiss's portrait sketch.

I long to see it. but alas
I shall not be in London
till after Nov 19. so I must

postpone the pleasure

till then - I will let you

know which day I can

come - & then we can

talk about the frame

& when we may take it

away & present it to

Mrs Weisse - for 1 supper

it still requires varnishing
or something - but these
are mysteries to me which
perhaps we can learn
till then.

I want to thank you
very much indeed for
all the trouble you have

taken & I hope that
you have also derived
some pleasure from it.

Please remember me to
Mrs de Laszlo I hope you are
all well.

Yours sincerely & with
many thanks

RB Key - Stuart Lunt

P.S

We have just read in the paper the announcement about your
new baby - many congratulations - I hope that both you
wife & the child are doing well
