Dear Mr Dazylo.

I am glad to say that the
Committee of the Old Southlanders
Club has asked me to write & say
that it will be a great pleasure to
all the members if you will
undertake a portrait oil sketch of
our headmistress Miss Weisse.

Your note of June 6 said that you
would do this for the school for
100 guineas. This we would like very much
& we thank you. Miss Weisse

is delighted with the idea that you
will sketch her, (the presentation
was a surprise
for her.)

She says she will try to come &
see you anytime now that suits
you, if you could give her alter-
native times to choose from as
she is so busy, but she is
most anxious to see you & talk
it over, & also arrange about
sitting. I cannot help feeling

that it will be a pleasure
to you as she is such an
absolutely delightful person.

Of course please communicate
with me if there is anything
else apart from sittings to
decide - framing etc. . . .

We are of course keeping your
views private.

Miss Weisser's address is

Northlands

Englefield Green

Surrey -

& will you kindly communicate with
her -

With many thanks, & kind regards

& I must tell you how pleased

I am that it is you who is

going to paint dear Miss Wrose

Yrs sincerely
