170, QUEEN'S GATE. S. W.

19 Dec 1912.

My dear Mr. de Kaszlo,

I hope I may be able to
call & thank you in person
in the morning for your
great kindness in remembering
me & promise to give me
that most successful reproduction
of your portrait of the Emperor
Wilhelm II. But in case I
am prevented, I write to
tell you how pleased I am
to have it, and to reciprocate

Four kind wishes for me
& mine. I hope you will
have a refreshing holiday
in Switzerland & come
back to me champagne
drinking a picnic in health
& strength.

I hope too that by the end
of January we shall have
to compare into each other
and all the world on the
passing of the war. closed

which can only cease
to be overious when there
conquerors & conquered
and the ambassadors
of all the powers have
succeeded in meeting a
very tangled skein.

With kindest regards
to Mr de Larylo as well
as to you, I am,

Yours sincerely & gratefully

Fred. H. White.
