My Dear de Lacy's,

I was delighted with the
good news of your complete
recovery & return — thank ,
selfishly, I am sorry you are
leaving again. —

I have just received
your letter or envelope at once
catch this afternoon's post.
There is very little time left.
So I enclose cards instead
of letters. In your case they

will be much appreciated. You
will have the R. Family
(to all of whom give the
best feelings of an old
friend) to help you & will
see anybody you want to
meet.

Still I enclose these
cards.

Good luck to you
& come back strong!

Ever yours
Chas Waldstein
