FORMERLY  
WALKER AND COCKERELL

Dear Sir,

I shall be pleased to  
photograph your portrait of  
Princess Victoria in any size  
you wish, or if orders are likely  
to be forthcoming I will not  
charge for making the negative.

I may add that the only  
photographs I publish are those  
of the pictures in the National  
Portrait Gallery. Those I do

for Mr. Sargent are paid for by his  
sitters.

Yours faithfully,  
Emery Walker
