Dear Laszlo

It is now a  
week since I arrived  
here to do a portrait  
of a man aged 82,  
he is a fine subject  
& has plenty of character  
& is being painted  
in academic robes,

I hope to finish my  
work this week, to see  
you shortly after my  
return to town, when  
I should like to bring  
Mr. Q de Sampayo to  
your studio, he had  
some correspondence  
with you when he  
was secretary to the  
Portuguese legation,

He now is anxious to  
see you & your work,  
therefore I hope you  
will have no objection  
to my calling with  
him one afternoon  
at 4 o'clock -

With kind regards to  
Mrs. László, & send  
kisses to your mother  
when you write for  
Xmas

yours sincerely  
J. Blake Wignam
