Dear M^{rs} de Laszlo

I cannot tell you how
pleas'd we both are to hear your
good news & to know that M^r
de Laszlo is feeling better, please
give him our love.

I can well imagine your &
your children joy to be all to
spend Xmas together & to begin
a New Year reunited, I hope
most sincerely that 1919 will
bring you all much much happiness
& compensation in this respect for
the horrors of 1918, my best love
joins with me.

I hope you will let

the snow from time to time
how Mr. de Serylo is ~~at~~ well ~~and~~
yourself, I am sure you also want
quiet & country air & after all you
have had to go through during
those terrible fourteen months &
your enforced separation from your
husband, however your reunion
to him will do much I am sure
to make you forget the horrible part.
Fred Weardale sends you many
messages in which I heartily
join.

Yours very sincerely
J Weardale
