Dear Mr. de Laszlo,

I have not been at the office for some days and hence your letter of Aug. 1. has only just come into my hands. We shall be sending you in a day or two a copy of the number containing a reproduction of your portrait of Countess Carzon.

I am interested to learn that you are about to paint Mr Balfour's portrait for Elton. I look forward to seeing the result and hope it may be as great a success as the Lord Roberts.

With kind regards

Very sincerely yours

Chas Holmes
