Dear Sir,

The Duke of Portland and my Committee have pleasure in asking you to accept the enclosed illustrated catalogue of the portfolio to which you have so generously contributed.

It will be sold by Messrs. Christie on 22nd inst.,

Yours faithfully,

B Peyman  
G. Cecil Baker } Hon Secs

The Duke thinks that if your letter promising to contribute were attached to the picture, it would still further enhance its value. Have you any objection to this?
