ST JAMES' CLUB,

Neille PICCADILLY, W.

Dear Monsieur Laszlo

I am constantly
being asked about
getting you to do
portraits but I
fancy you are always
more or less engaged.

However if you have
a little spare time
some afternoon perhaps
I might come to your
studio and have a
talk on this subject
and also you
would possibly let

we have a look at
your latest works
- it is a long time
since I was there

Yours very truly

R. Merrill

If I may come and see
the pictures should you
object if I brought a friend?
