HAMSTEAD MARSHALL  
NEWBURY.

BERKS.

Dear Mr. Langlo. Will  
you be kind and  
keep me I know you  
will because you  
were so specially  
kind last time.  
I have been asked by the  
Womens Hospital to try  
and collect some money  
among "artists" to  
send an artists

bed there. As the musician  
and the "achievers"  
have both endowed  
beds I think the  
artists ought to  
come up to the  
scratch - and be  
out dare don't you?  
Please be kind and  
give me a little  
money towards  
it. It's a

Jan? I am buried at  
Salisbury Plain!
