Your Friend,

I was so very

you were obliged to leave
suddenly London: it was
such a nice time we had
all together in your nice
house.

Mrs. & Paszko was turning
to me - and we had a
very interesting evening the

day before I left at 8^h 10^m.

It is really a very interesting
play - and very surprising to
be seen played in London,
without any "protestation"...

We are all here - the boys
and little Louise enjoys
the noise - more than I do
myself - but it is rest,
and perhaps good for me...

With many thanks, I
remain

Yours sincerely

Emily
