Philip de Laszlo Esq.

Dear Sir

I should feel greatly  
honoured and treasure  
the enclosed excellent  
photograph if you  
would inscribe a line  
from your pen on  
it with your signature

My collection  
which numbers 940  
includes signed  
photographs from  
S. Kings and Queens.

Signor Mussolini sent me  
his signature to-day  
and I am so anxious  
to frame it with a  
picture of him, but  
cannot get a picture  
in England.

Could you possibly  
spare me a picture  
reproduction of your  
wonderful painting of  
him. I do not mind  
if it is cut out of a  
book or a newspaper, so  
long as it is a picture  
of Mussolini that I can  
frame with his signature

Thanking you  
I beg to remain gratefully  
Yours very  
Reginald Hunt.
