My dear Mr de Laigle

They have sent me in
some reproductions of Michael
Angel's head from his Sketch-
-book which I had the
great pleasure of showing
Madame de Laigle & for some
months ago. I have lent
the sketch book to The Fitzwilliam
Museum (Cambridge University)
I am sending you one of the
reproductions as you may

THE FRANKS COLLECTION
V. 1000

like to have it - I have been
to London since the Law case
but you were in Italy - I expect
to go over again on Tuesday next
and will be at The Tavistock
Hotel Covent Garden for a
few days - We put a nice
sheet of plate glass on your
picture in our gallery - It
looks fine, and was much
admired this week of Americans
now visiting Ireland.

With kind regards

I remain your most sincerely

Wm. De Laigo Esq.
