My dear Mr. Laszlo.

I wrote to Sir Malcolm
Murray asking him to tell

the Duke of Connaught to visit

your Exhibition & I now enclose

the answer I have received.

I am lunching with the Duke

next week when I will speak

to him personally about paying
a visit to the French Gallery.

May I congratulate M^{rs}. Laszlo

My dear Friend.

I have just been to the
French Gallery where I found myself
entranced by your wonderful
work, & I want to tell you how much
I enjoyed the hour I spent there.
I am only sorry you did not have
the portrait of Lorna which you
finished in 1914 as it is a gem &
worthy of you.
Where all the portraits are so wonderful
it is not easy to pick out any
particular one, but no one could
pass by the portrait groups of your
3 boys or the Dabynsoph White boy.
A hundred years from now your
pictures will be commanding

The price now obtained for
Reynolds, Romney, or Raeburn's
work.

With good luck to you & Madame.

Yours ever

Just a line to let you know that I have informed the Duke of Comaungset of your Exhibition & have told him that he will be well rewarded by paying a visit to the French Gallery. I hope he will find time to go round the portraits.

Yours ever.
