

July 22

ALDERLEY PARK,

CHELFORD, CHESHIRE.

My dear Friend. I am answering
your letter at once. Just to tell
you of my plans. I go to
Pewthorpe on Saturday next so
I fear I shall not be here when
my patient comes here when
the Photograph of V. picture of
the Pope comes. but I am sure
Joseph will be glad to see both
too I do still think he could
have seen the real Picture
he was so much interested in
it. Please come to us

then it suits you perhaps
then after Carlbad will suit
you best but in any case
will you write any place to
me at Penrhos Holyhead as

I don't like him to be
seeing any letters

Do give my love to Lucy &
ask her if any of your
sons will come to pay us
to visit at Penrhos I

hope perhaps ~~after~~ the week of
August 17. Any time will
suit me as I shall have the
Hendry girls with me. I am
writing in haste having
been occupied all day

If you and Lucy decide to
come here in Aug. it
will be quite convenient
they give me a few days
notice done to you with
love from ^{all} Maisie S.

Leave for A. Oct 7th
